

## **INESPANHISH: The Spanish Language Subtitling Specialists**

Are you looking for the best compromise between quality and price?  
Inespanish is the professional solution to your next multimedia project.

### **ABOUT US**

We are a translation company based in Buenos Aires, Argentina serving businesses throughout the world.

At Inespanish we are dedicated to translating and localizing your media content for Latin American markets. We specialize in subtitling, dubbing, voice-overs, transcription, editing, proofreading and other linguistics services for the entertainment and advertisement industry.

Inespanish offers the expertise of native translators graduated in Languages and Literature from prestigious universities around the world, combined with the simplicity and security of dealing with an in-country company.

For 15 years now, we have been providing language services for various TV networks and cinema studios in the U.S.
